Pillar 1: Unlock Branding Freedom

Your Brand, Your Identity

“Sellstate offers the flexibility to build a brand that reflects who you are, not what someone else dictates.”

Flexibility is at the core of Sellstate’s approach to branding. Unlike other franchises, we empower you to maintain your unique identity while enjoying the benefits of our national network.

Pillar 2: Choose Your Location Preference

Your Office, Your Choice

At Sellstate, we believe flexibility starts with location. We support brokers in choosing the ideal office space that aligns with their vision.

Sellstate gives you the ultimate flexibility to decide commission splits that align with your business model. You're no longer locked into one-size-fits-all structures. Instead, you can create a commission plan that attracts top agents while ensuring profitability for your office.

Flexibility extends to your fee structure. Sellstate allows you to set your own fees, giving you the freedom to tailor your business model to fit the needs of your agents and market.

Flat Fees?

Percentage-
Based Models?

Something Else?

“Whether you prefer flat fees, percentage-based models, or something in between, Sellstate provides the support to make it work for you.”
